# *Board of Education Recap*

April 7, 2020

Dear Vikings –

Despite the setbacks caused by COVID-19, there are always reasons to recognize our students and staff for a job well done. This was the case at Monday night's Board of Education meeting as the Board "virtually" congratulated the 2020 Wisconsin State Champion Gymnastics team and coaches. This is the sixth time in our school's history our program has brought home the trophy in the contest's 50 year history. Here is a picture of many of our amazing Vikings being recognized….

Director of Student Services, **Mr. Brian Johnson**, was on hand to provide an update to the Board about their strategic plan. Specifically, Brian has been monitoring our students' "Individual Academic, Social and Emotional Readiness Levels." The details for his report may be found here.

The Board unanimously approved a waiver of instructional hours offered by the Department of Instruction, due to Governor Evers' COVID-19 Public Health Emergency. This would only impact the 2019-2020 school year.

I know this is an unsettling time for all of our Vikings. Please know we are here to help. No question is too small, too silly. If I can be of service (or any member of our team), won't you please let me know (salernosteve@mhasd.k12.wi.us)? I remain….

…proud to be a Viking and hope you are too!

Steve
