MOUNT HOREB AREA SCHOOL DISTRICT

Visitor Background Checks* As of December 13, 2021

The framework of Mount Horeb Area School District Background Checks

The guidelines will be split into the following categories: crimes that will not allow for the caregivers to volunteer in any capacity no matter the number of offenses or the number of years since they have occurred, a first-time offense that occurred within the last 10 years, second repeat offenders within the last 5-10 years, second repeat offenders within the last 5 years. Each of these will have a corresponding table with the type of crime as well as the baseline of what the visitors are allowed to do. The baseline will fit into one of three categories: cannot volunteer, chaperone own child only¹, and no restriction.

Procedures

The District runs a background check for adults that intend to visit, volunteer, or chaperone who has direct contact with our students during school hours. Background checks are not required for events that are open to the public (ie: grade level concerts, schoolwide performances, sporting events, etc.). Visitors joining students during school hours within our buildings or to chaperone field trips will be checked no less than one time per year unless a specific reason arises. The District will enter each person's data on a spreadsheet and the results of their background check. The Visitor Background Check Guide will act as a guide to determine if an offense will limit a volunteer's ability to volunteer/ chaperone/supervise. The volunteer will be notified by the building principal or his/her designee if the volunteer has 1) no restrictions, 2) may chaperone own child only, or 3) may not visit/chaperone/volunteer at all. If there are restrictions, the visitor will be notified via telephone call.

Table 1 shows crimes where the caregiver will never be able to visit, chaperone, or volunteer regardless of the number of years that have passed since the crime.

Table 1

¹ Own child only means that the parent/guardian cannot chaperone other children on a field trip. The parent/guardian may volunteer in the classroom, but may not work with other children except in the classroom with the teacher or other such employees present (i.e. may not read with other children in the hallway).
