

# 2023-2024 Mount Horeb ACT Prep Program Registration Form

*Students from any school district at any grade level may participate.*

The ACT Prep Program offers students an ACT practice test followed by an ACT Test Prep Course. The Practice Test follows the exact format as an actual ACT test. The Prep Course focuses on the four subject areas covered by the ACT Test: English, Math, Reading, and Science. Each day of the 4-day course is devoted to one of those four subject areas. During each class students will be given subject-specific test taking tips, review commonly covered content, and work through a variety of practice problems in an effort to prepare students to take the ACT Test. The course will be taught by Mount Horeb Area teachers in their area of specialty. All practice tests and classes will be held at Mount Horeb High School. The real ACT test will be taken at the location your child signs up at.

**THIS IS ONLY A PRACTICE TEST! STUDENTS MUST REGISTER FOR THE REAL ACT AT [www.act.org](http://www.act.org)**

Prior to the class you will need to purchase an ACT prep course text. They can be ordered at Amazon for around \$30. We use the book, *The Official ACT Prep Guide 2023 - 2024, (Book + 8 Practice Tests + Bonus Online Content)*. This book is a great resource. It has various tests that students can use for practice. It also contains the answers to the test questions as well as an explanation of the answers. **Please do not wait until the last minute to purchase the book. They do sell out and shipping may be delayed.** Students will use the book each night, so it is important that they have their own copy.
