**On-Going Assessment**

After an initial five-year review (Spring 2016) by participating MHASD personnel and representatives of the initiating committee from the Class of 1959, an assessment of the implementation of the Endowment will be carried out at least once each decade.

Decadal review: MHASD alumni representing different graduating classes plus a community member(s) who has previously served on the Endowment Grants Selection Committee shall carry out this review. The intent of this review is to assess if the implementation of the Endowment is consistent with its intended purpose.
