August 12, 2024

Dear Mount Horeb Area School District residents,

Our public schools have many functions, none more important than educating our young people, education truly is the great equalizer among our citizenry. The fact that Mount Horeb's schools continue to perform at high levels speaks to the many enriching opportunities our students have to explore their talents and nurture their dreams. This is only possible because of our engaged and supportive community. On behalf of the Board of Education and staff, we remain deeply grateful.

The District's vision statement is "Prepare. Learn. Lead." In the next year, the District will continue to model all three. We will:

- 1. vision the District's facility needs. The results of this spring's capital survey have given the Board of Education an understanding of the community's potential tax-tolerance for addressing our continued brick and mortar needs. On November 5, the community will have the opportunity to vote on a proposal developed by a citizen advisory group which solves for our kindergarten students' outdated learning environment, tackles aging building systems and infrastructure, and addresses many of our Americans with Disabilities needs throughout the district. (Prepare)
- 2. live out the District's strategic plan. The Board of Education also sought input from the community and businesses about the instructional needs of our graduates. As a result, the District developed a contract of sorts which outlines the knowledge, skills, and dispositions our students will possess when graduating from the Mount Horeb Area School District. We call this document "Prepared for our Future." (Learn)
- 3. advocate for a fair and reliable school funding model. 80+% of our annual budget is personnel related (hence, the need for a capital referendum please see number 1). A lack of funding has prevented school revenue limits from meeting historic rates of inflation. Without the support received from our community during 2022's operational referendum, significant budget cuts would have been necessary. We know you cannot always cut your way to excellence. (Lead)

The 2024-2025 budget you find herein, demonstrates the commitment our elected Board members have to being excellent stewards of our community's benevolence. As a result, we continue to be a district in a strong financial position. If I may ever be of service to you or your family, I hope you will please drop me a line (437-7010 or salernosteve@mounthorebschools.org).

FUND 10 (General Operating Fund) Review

Year Ending June 30, 2024

Fund Balance (Unassigned) = \$7,176,450.33 (decrease to 20.4% of expenditures)

(Assigned) = \$290,000.00

Year Ending June 30, 2023

Fund Balance (Unassigned) = \$6,879,492.04 (22.5% of expenditures)

(Assigned) = \$ 0.00

Projection For Year Ending June 30, 2025 (based on 2024-2025 budget)

Fund Balance (Unassigned) = \$7,176,450.33

(Assigned) = \$ 0.00

A fund balance represents the fund's total assets minus its liabilities (what a fund owns minus what it owes). Assets include cash and accounts receivable balances (this is money owed to the District but not yet received as of June 30) and liabilities include payroll liabilities (such as taxes and insurance).

The Department of Public Instruction recommends that a district has enough resources (cash assets) to meet cash-flow needs each year. This recommendation is important because major funding sources are received at various intervals during the year that are not consistent with a district's expense needs. The Department of Public Instruction also recommends that an appropriate fund balance, which is an accounting equation, will demonstrate financial stability which is important for managing debt costs.

FUND 73 (Employee Benefit Trust Fund) Review

A Fund 73 Trust was created in 2017-2018 to proactively plan for post-employment benefits for employees. The following is information regarding the trust as of June 30, 2024:

2. Investment return earned since the last annual meeting: \$49,639.17

3. Total disbursements made since the last annual meeting: \$432,997.64

4. Total revenue received since the last annual meeting: \$677,634.32
