Friday, October 9, 2020

Happy Friday Middle School Families,

Below are informational updates for parents and guardians of middle school students. I continue to share weekly updates during Viking Hour and via email with our students.

Mid-Quarter Grades: MHMS is midway through the first quarter. Academic grades are current within Infinite Campus. Now would be a perfect time to talk with your child about their progress this year. Additionally, if you receive a late work message through Infinite Campus on a Wednesday, but are certain that your child has completed the assignment, do not hesitate to have your child take a picture of the assignment and send it directly to your child's teacher. [Infinite Campus Parent Portal](#)

Parent-Teacher Conferences: We have parent-teacher conferences scheduled during the week of October 12, 2020. This year all parent-teacher conferences will be conducted by your child's homeroom teacher only. Our hope is to continue building positive relationships with all middle school families during these meetings. While homeroom teachers will have general academic information about your child, if you have a specific question or concern about a particular subject please do not hesitate to reach out to that teacher via email directly.

Spirit Week: Our Student Council wanted to share that we have Spirit Week next week! They have decided to continue what the High School has shared as their dress-up days, and would love to see some homeroom screenshots of each day during Viking! A slide with each Spirit day detail is copied below. This will be shared during Viking Hour with students as well.

Unity Day: Each year we recognize Unity day in October to show that we are together against bullying and united for kindness, acceptance, and inclusion. This year Unity day is on Wednesday, October 21st. Please encourage your child to wear **ORANGE** in support of our togetherness against bullying. [Unity Day](#)

As always if you have questions please do not hesitate to reach out to me.
