February 10-14, 2020
Mrs. Moore's Class

This week we explored the question, "What kinds of things do scientists study?"

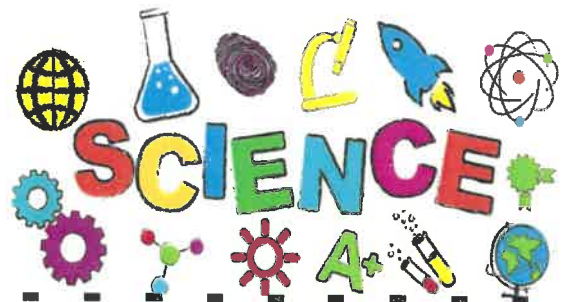

WE...

- *read What Is Science?, Benjamin Franklin, Inventor and Dear Mr. Blueberry.
- *made a booklet with facts about penguins.
- *have been learning how to solve addition and subtraction problems.
- *have been reading two and three digit numbers.
- *have been learning about coins.
- *used calculators.
- *made tissue paper hearts.
- *had fun making valentine cards.
- *had a great time at our friendship celebration.
- *did Mystery Science-How can you find animals in the woods? And Why Can't Airplanes Fly in Space? The students loved making paper airplanes!
- *had a scientist from UW Madison come and do fun experiments with us.

Focus Wall

*learned the words funny and three this week. I will be sending the two new high frequency words for your child to practice at home. Please add these words to the bag of words they brought home last week to review. If they know all of the words that have come home they can spell the words, or write them in a sentence. They should continue to practice the little books they bring home too.

- *continued to sound out three letter words.
- *worked on writing sentences.
- *started to learn about the word family -ig.
- *learned about the letter li.
