Mrs. Moore's Class

This week we explored the question, "Where do different animals make their homes?"

WE..

- read Home for a Tiger, Home for a Bear, and Turtle Splash!
- *learned where different animals live.
- *also read Polar Bears and started to learn about Arctic Animals.
- *earned 100 gold tokens and had "Doddle day."
- *have been learning about odd and even numbers.
- *have been learning how to solve addition and subtraction problems.
- * went and played at the P.C. playground and in the snow with our book buddies.
- *made groundhog puppets and learned about Groundhog Day February 2nd.

Focus Wall

- *learned the words two and play this week. I will be sending the two new high frequency words for your child to practice at home. Please add these words to the bag of words they brought home last week to review. If they know all of the words that have come home they can spell the words, or write them in a sentence. They should continue to practice the little books they bring home too.
- *reviewed the letter Bb.
- *worked on writing a sentence.
- *continued to do activities with the word family -en.

Please label your child's snow gear. We have had a few things get mixed up and it would be helpful if everything was labeled.
