

Kindergarten News...

March 2-13, 2020
Mrs. Moore's Class

This week we explored the question, "What do scientists do when they discover something new?"

WE...

- *read Duck and Goose and Curious George's Dinosaur Discovery.
- *have been learning how to solve addition and subtraction problems.
- *continue to learn about coins and their values.
- *have been learning about 3-D shapes.(cube, cones, spheres and cylinders)
- *have read several Dr. Seuss books and did fun activities with them.
- *enjoyed dressing up for Dr. Seuss week and Super Hero Day!
- *earned the Clean Cubby Award at the PBIS Assembly. The Cat in the Hat and Thing 1 and Thing 2 were our surprise visitors!
- *Mystery Science-Listened to Animals Needs and Changing the Environment.
- *had book buddies at the ELC.

Focus Wall

- *learned the words on, they, but, and at. I will be sending the high frequency words for your child to practice at home. Please add these words to the ring of words they brought home last week to review. If they know all of the words that have come home they can spell the words, or write them in a sentence.
- *have been reviewing all of the sight words. We have now learned 48 sight words. Keep practicing them at home.

The kindergarten students will be having their Spring Sing in the PC Gym at 2:00 p.m. Friday, April 17. Please mark it on your calendar.

Thanks so much for coming to conferences. Let me know if you have any further questions.

Dates To Remember

- March 23-27 Spring Break-No School
- April 9 Early Release @ 12:30 p.m.
- April 10 No School
