## Mrs. Moore's Class

**This week we accomplished a lot of fun things together.**

**We...**

- have been working on patterns.
- have been counting by 1's and 10's to 100.
- have been learning about ten frames.
- have been practicing doing addition problems together.
- learned about the size of the problem in guidance.
- have been counting how many syllables are in a word.
- practiced walking to our off campus safe place. The students did a great job!

### **Focus Wall**

- have been learning about the letters of the alphabet and what sounds they make (U,V,W,X,Y and Z.)
- learned the words it and in. Please practice your flashcards.
- practiced reading to self.
- have been singing and writing the sight word songs.
