

# Kindergarten News... October 14-18, 2019

## Mrs. Moore's S'mores

We have had another very busy week in kindergarten.

**We...**

- had members of the Mount Horeb Fire Department come to school and talked to us about fire safety. Then we went outside to look at the fire truck. Thanks to the volunteers.
- enjoyed Mrs. Johnson coming into our classroom and reading us a story.
- had a great time at our "Bubble Party" for earning 100 gold tokens.
- read the book, What Makes A Family?. Then we shared what we like to do with our families and drew a picture.
- have been working on addition problems.
- played a "spin a number" game.
- had book buddies at the ELC.

### Focus Wall

- have been learning about beginning sounds.
- learned the words said and for. Please review the flashcards at home. The students bring home new words in their Friday folder to be added to their high frequency word rings each week.

**New this year, classroom teachers are being directed to contact families when a student has reached 4 absent days (sick, vacation, etc.). The district excuses up to 10 full or partial illness days per year. If your child was seen by a doctor, you can request that the doctor send a medical note so that the absence does not count against their 10 excusable illness days. If you have any questions about the district's attendance policies, please contact our school principal Rachael Johnson (608-437-7511), or our school social worker Megan Miller (608-354-4907).**

### Dates to Remember

- |                |                             |
|----------------|-----------------------------|
| October 24     | Early Release at 12:30 p.m. |
