Mrs. Moore's Class

This week we started learning about colors and Fall.

We...

- celebrated the first day of Fall. We painted beautiful trees.
- Celebrated Camden and Tylers birthdays.
- have been working on patterns with colors.
- did sound and motion patterns.
- played a game, "Give the Next Number".
- have been practicing writing numbers and learning about ten frames.
- had a great time at the NED Assembly.
- had our CIR Presentation.

Focus Wall

- have been learning about the letters of the alphabet and what sounds they make (K,L,M,N and O),
- learned the words and and a. Please keep the flashcards I send home each week to practice. Please add them to the ring that was sent home last week.

Bures Berry Patch

Thank you for the overwhelming response for wanting to be chaperones at Bures Berry Patch. I found out that I am only allowed five chaperones for this trip. So, unfortunately, I can't have everyone go. We will have other field trips in the future for which I will need parents. I drew names out of a bowl and these will be the parents that can meet us.
