Before we dig in...

- ▶ Administered online June 19–July 14, 2017
- ▶ 524 Respondents (down 221 people)
- ▶ Limitations of this Study
 - The 2014 survey was mailed to community members. This was not done with the 2017 survey; thus, limiting comparisons when disaggregating results by demographic groups (“Communication” questions).
 - Not everyone who started the survey completed
 - Timing of survey – impact on results?
